

Starkes Pocket Almanac And General Register For 1864: Being Bissextile Or Leap Year, Death In The Afternoon, My Everest: Finding Everlasting Peace, The Furthest Horizon: SF Adventures To The Far Future, Misguided Expenditure: An Analysis Of The Proposed MX Missile System,

This book describes the transformation of diabetes from a rapidly-fatal illness to a chronic one with a host of new associated problems. Drawing from letters and other patient records at the Joslin Diabetes Center in Boston, Feudtner vividly details the lives of diabetic patients in the 20th century. *Bittersweet: Diabetes, Insulin, and the Transformation of Illness*. One of medicine's most remarkable therapeutic triumphs was the discovery of insulin in The drug produced astonishing results, rescuing children and adults from the deadly grip of diabetes. *Diabetes. As a Disease of Technology*. Chris Feudtner, MD PhD MPH. The Children's Hospital of Philadelphia. The University of Pennsylvania. What has been the impact of medical care on health over time? To answer that long-standing and still troubling question, Chris Feudtner has. *Bittersweet: Diabetes, Insulin, and Transformation of Illness*. Chris Feudtner.
